The Honorable Allan Cahill
First Selectman
Town of Hampton
P.O. Box 143
Hampton, CT 06247

Dear First Selectman Cahill:

Thank you very much for allowing us to come into your community to listen to the people of Hampton concerning the placement of the DESPP Firearms Training Facility.

The owner of the property decided he no longer was interested in selling and I believe he included you in emails to that effect. As you know, we only looked at locations where there is a willing seller. Since he no longer is wanting to do that, we have removed his property from our list as a possibility.

Once again, I want to thank you for your time and while I realize you may not have ultimately agreed that Hampton was the best location, you were willing to listen to what we had to say. I do hope your residents realize how important that is for an elected leader. Listening to all sides of a situation before making a decision. You serve your community well.

Sincerely,

Melody A. Currey
Commissioner
