Old Business

A representative of the Hampton Gazette presented the Commission with a proposal to merge the Farm Day with their yearly Gala Day program. The Gazette had some fixed dates in June that it could work with and offered thier support for a combined Day.

The Ag Commission felt that this years Farm Day was already far along in the planning stage and that a change would not be possible, so the idea was tabled for consideration at a later date.

School Garden. It was noted that the planned meeting of the School administration and the community helpers, to which the Ag Comm was invited, was not held. Further discussion was tabled until after said meeting was held.

New Business

Bernie suggested that his daughter, who is a Veterinarian would be will to give a presentation. It was felt that it would be better if it were given at a date after the Farm Day, so bernie said he would check to see what dates later in the year would work. More information would be presented at a later meeting.

Meeting was adjourned at 7:50 pm
