

Agriculture Commission  
May Meeting  
May 18, 2016

Meeting Rm ,Town Office

Meeting called to order by Don Bezanson at 7:02

Present were: Donbezanson, Renee Cuprak, Bernie Block, Morris Burr, Larry  
Campion and alt. Rob Miller

Minutes of the meeting s Jan 20, and March 16 were read and accepted as read.

Old business:

Members are needed , two alternates would fill out the commission. After much discussion on what had been done to put the word out and much discussion as to what could be done, it was thought that a sign at the dump might be the best way to reach the townspeople on the need for civic participation. Don said he would put up a sign that was similar to what we had posted on the towns webpage.

In related business the papers of the commission that are/were in the possession of the last chairperson are still missing and not accounted for. Our next recourse is to reconstruct them forensically by digging through old emails and piecing together a list of all those who were cc"ed in emails from past chairpersons.

The town is asking for a report for the Annual Report, don and Larry will work on something for them.

Farm to Table dinner. Work and planning continues. Farmers must be contacted soon to ensure that there will be produce for said dinner. A limit of 50 – 60 persons should be the goal for the first year, to get a feel for the scale of the project. No Farm Fair will be held in conjunction with the Dinner.

A special meeting will be held on June 8, 2016 to further plan for dinner and see how aspects are progressing.

The plant Swap is postponed until June 25.

New Business

The plant Swap will be held on June 25 2016 from 11AM to 1 pm at Town Office Complex. Renee will handle the postings in local media.

Meeting adjourned 8:07
