New Business:

Deb Espinosa submitted her resignation as chair and from the Commission. She turned over all the papers from the Commission from the beginning through July of this year.

Bernie as vice - chair took over the running of the meeting.

Due to the uncertainty of the composition of the membership, it was felt that all appointments and re election of the Commission by post pone until a later meeting.

Renee made such a motion and it passed unanimously.

Old Business

Farm Fair, Due to a smaller than anticipated turnout, questions were raised as to the cause. The date of the fair, second Saturday in July, seemed to be partially to blame. It was felt that a later date might prove to be more conducive to a larger turnout. One or two weeks later would give vegetable producers a better crop to display and sell. Bernie suggested September, but that was seen as too much of a conflict with larger town fairs , ie. Brooklyn, Woodstock, Hebron, etc. A better Feel for what is happening in this time frame would be helpful in determining a date . The matter was set aside until next meeting.

Guidelines for Farm Farm Participation. Larry asked that this be postponed until the next meeting when he would have both a hard copy and electronic version ready. It was so moved

Meeting adjourned at 7:41 Submitted 9/21/14 L. Campion
