Members present-Don Bezanson, Larry Campion, Renee Cuprak

Also present-First Selectman Allen Cahill, Randy Thompson, Emily Schmidt

Minutes of last meeting read and accepted

Viewed map of the Fair days layout.

We will set up ag tent and sound system. Allen said power will be available.

Randy spoke about community garden, State has control of use for Edwards property, he will get more information for us. Talked about garden behind town hall or at new town garage.

Perhaps a notice out to the town to see who would be interested.

The best place for an ice rink for a winter festival was thought to be by the new garage.

New member sign up clip board at the fair.
