Audience for citizens. None.

Additions to the agenda. Marcia added WCCC meeting to N.B.

Old Business. None.

New Business.

1. Joshua's Trust and the Inman property. Bob Inman informed us of his family's interest in protecting some of their property on Pudding Hill Road; the back part of what is a 130+ acre parcel. It includes Mine brook, is all forest, and is in the middle of the most undeveloped area in town, the Southwest part. At present time they are talking with J.T. More information will come at future HCC meetings. If it should happen, it would be a good piece for future additions to build upon.
2. Open Space Grant Money. There may be money for Open Space grant applications this year. Marcia thinks a portion of Darigan's property might be worth looking into. Applications must be in by February 2017.
3. WCCC meeting 29 September. Discussions will be on solar development vs loss of farmland, and aquifer management.

Communications. A copy of a letter in support of a Federal grant application to control invasives in Goodwin S. F. was shown.

Audience for citizens. None.

Meeting adjourned at 8:03 pm.
