- A. It is recognized that the Board has and will continue to retain, whether exercised or not, the sole right, responsibility and prerogative to direct the operation of the public schools in Hampton in all its aspects, including but not limited to the following: To employ or hire, assign and transfer teachers; those powers specified in Sections 10-220, 10-221, and 10-222 of the Connecticut General Statutes; to discipline, suspend or dismiss the teachers of the schools in the manner provided by statutes; to prepare and submit budgets to the Town of Hampton and in its sole discretion, to expend monies appropriated by the district; to make such transfers of funds within the appropriated budget as it shall deem desirable; to establish or continue policies, practices, and procedures for the conduct of school business, and from time to time, to change or abolish such policies, practices and procedures; to discontinue processes or operations or discontinue their performance by employees; to select and determine the number and types of employees required to perform the school's operation; to determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Hampton Board of Education; and to establish contracts or subcontracts for the school operation. Said subcontracting shall be limited to school psychologists, social workers, speech and language therapists, occupational and physical therapists, and the employment of shared teachers as authorized by C.G.S. §10-158a; provided however, work of regular grade level non-special teachers (i.e., Kindergarten through 6th Grade) shall not be subcontracted out.

- C. Each local or regional board of education shall maintain good public elementary and secondary schools, implement the educational interests of the state as defined in §10-4a and provide such other educational activities as in its judgment will best serve the interests of the school district;

WORKDAY

- A. Teachers shall be required to work a seven and a half (7.5) hour day, which shall consist of a total of fifty-five (55) minutes before or after the student day using a "flex time" schedule to be used at

the teacher's discretion. A minimum of ten (10) minutes is required for teacher duty before the start of the student day. Flex time shall be recorded daily.

- B. Teachers shall attend staff meetings as designated by the Principal and Superintendent. Teachers shall be required to attend a maximum of two (2) staff meetings per month, not to exceed one (1) hour and fifteen (15) minutes per meeting, with at least forty-eight (48) hours prior written notice, as well as a prior written agenda.
- C. All teachers shall have an uninterrupted duty-free lunch period daily of one-half (½) hour.
- D. Preparation Period
 - 1. The Administration shall provide each teacher with five (5) duty-free planning periods per week. Each planning period shall consist of forty (40) continuous minutes.
 - 2. The Administration will make every effort to ensure that teachers are not required to perform duties or provide substitute coverage during their individual self-directed preparation period. Notwithstanding, the Parties recognize that, on the rare occasion, educational needs may necessitate such coverage. In the event such coverage is required, and a teacher loses his/her individual self-directed preparation period, he or she will be provided a makeup preparation period within five (5) school days.
- E. In the event the Board changes the total number of hours in the workday in a manner which would require negotiations under state law, the parties shall negotiate the impact of this change in accordance with this provision. Such negotiations, if not amicably resolved, shall be subject to the impasse resolution procedure set forth in §10-153b, *et seq.*, of the Connecticut General Statutes or as hereafter amended.
- F. Teacher attendance shall be required for a minimum of three (3), but no more than six (6) evening activities (such as Open House, Parent Teacher Conferences, and School-wide Music Programs). Attendance at additional evening meetings is voluntary.
- G. In the event that special or unusual circumstances (i.e., inclement weather, emergencies, etc.) result in an early dismissal from the normal school day, teachers shall be allowed to leave after the dismissal of students provided all students under their direct care and supervision have been accounted for.

ARTICLE 12

LEAVES OF ABSENCE

- A. Sick Leave
 - 1. Full-time teachers shall be entitled to sick leave with full pay up to fifteen (15) working days per year as provided by State Law. Unused sick leave shall be accumulated from year to year up to one hundred eighty (180) days so long as the teacher remains continuously in the

service of the Board and with the understanding that once a teacher has accumulated one hundred eighty (180) days, he/she will continue to receive fifteen (15) days each year which are non-cumulative above the one hundred eighty (180) days, but which can be used within the year they are granted without reducing the one hundred eighty (180) days accumulated.

- (a) This benefit shall be pro-rated for part-time teachers. As such, part-time teachers shall be eligible for a fractional percentage of sick time based on the teacher's full-time equivalent (FTE) percentage. For example, if the teacher is a four-tenths (.4) FTE, he/she would be entitled to sick leave with full pay up to six (6) days per year. Unused sick days shall be accumulated from year to year up to seventy-two (72) days so long as the teacher remains continuously in the service of the Board and with the understanding that once a teacher has accumulated seventy-two (72) days, he/she will continue to receive six (6) days each year which are non-cumulative above the seventy-two (72) days, but which can be used within the year they are granted without reducing the seventy-two (72) days accumulated.
 - (b) In the event a position is reduced to anything less than a one (1) full time equivalent, the teacher shall maintain his or her earned accumulated sick days provided that under no circumstances shall the teacher have more than one hundred eighty (180) sick days accumulated. Once the teacher's position is reduced, he or she shall be eligible to accrue sick leave on a pro-rated basis in accordance with Section A (Sick Leave), Paragraph 1, subsection (a) above.
 - (c) In the event that a teacher suffers a serious illness or injury requiring absence for more than twenty-five (25) continuous school days in a single school year, and has exhausted accumulated sick leave, the teacher may petition the Board for an extension of sick leave, provided however that no more than a total of twenty (20) days shall be granted in any one school year or a total of sixty (60) days during the term of this Agreement to all teachers requesting such an extension. The Board shall not unreasonably deny a request for extension made pursuant to this provision and shall provide, within a reasonable time in writing, to the teacher making such a request and the Association its reasoning for such denial.
 - (d) After fifteen (15) consecutive sick days the Board in its sole discretion may require any teacher to submit to a physical examination by a physician or physicians designated by it, in the event that any claim is made for sick leave or for personal injury benefits. The cost of such procedures will be borne by the Board. The Board's physician will make the final decision about the leave.
2. A teacher may use up to fifteen (15) days of his/her sick leave entitlement each year to attend to the illness of a member of the teacher's immediate family. The immediate family shall be defined to include the teacher's children, parents (in-law), spouse, cohabitant, or other relative living in the same household as the teacher.
 3. Teachers shall make every reasonable effort not to schedule medical appointments during the teacher's normal workday, but when necessary sick leave under this Section may be

used for medical appointments which normally cannot be scheduled outside the teacher's normal workday.

B. Personal Leave

All teachers shall be entitled to three (3) personal days' leave of absence with pay per year with additional days upon the approval of the Administration. When practical, the teacher shall provide forty-eight (48) hours of advance notice. Personal days may be used consecutively in emergency situations with the approval of the Superintendent or designee which shall not be unreasonably withheld. The number of personal days for a part-time teacher shall be pro-rated based on the teacher's full-time equivalent (FTE) percentage.

C. Bereavement Leave

All teachers shall be entitled to up to five (5) days leave of absence for a death in the immediate family. The immediate family shall include parents (in-law), grandparents, children, brothers, sisters, spouses, or other relatives who have been a part of the immediate family.

D. Religious Leave

Teachers shall be entitled to leaves of absence for religious holidays, not to exceed three (3) days.

E. Educational Leave

The Board of Education recognizes the importance of professional development of the staff. Therefore, the Board encourages the professional development of the staff. But in order to maintain the integrity and good working order of the school, professional leave shall be approved by the Administration.

F. Childrearing Leave

1. Childrearing leave, for the purposes of this Agreement, is defined as a leave of absence, without pay, following the birth of a child, an adoption of a child or a legal fostering of a child.
2. Any teacher may be entitled, upon a written request submitted to the Board, to an extended leave without pay for purposes of childrearing, apart from any period of childbirth disability leave with pay. A teacher may be entitled to such leave for any school year, or reasonably requested portion thereof, in which the child is born or adopted or fostered and for one additional year if requested by the employee.
3. Childrearing leave, like other extended leaves, shall be subject to the following provisions:
 - (a) Teachers requesting leave shall submit written notice of not less than sixty (60) days prior to the anticipated date of the end of performance of duties.
 - (b) Any teacher granted childrearing leave will be guaranteed a position upon return for which the teacher is qualified and certified, subject to the reduction-in-force provisions

of this Agreement. The teacher is not guaranteed the same position she/he held prior to accepting the leave.

- (c) All insurance and other teacher fringe benefits, including payments to the State Teachers Retirement System, shall be paid by the teacher on leave.
- 4. Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery there from, shall be treated as temporary disabilities for all job-related purposes. The term "temporary disability" shall be interpreted as being within the meaning of the term "sick" as used in §10-156 of the Connecticut General Statutes.
- 5. Accumulated sick leave shall be available for use during periods of such disability.
- 6. Teachers will be granted pregnancy-related disability leave in accordance with the law. A copy of Connecticut General Statutes §46a-60(7) shall be attached to this Agreement for informational purposes only.
- 7. Policies involving the commencement and duration of leave, the availability of extensions, the accrual of seniority and other benefits and privileges, protection under health or temporary disability plans, and payment of sick leave shall be applied to disability due to pregnancy or childbirth on the same terms and conditions as they are applied to other temporary disabilities.
- 8. Pregnancy or childbirth shall not be the basis for termination of employment or compulsory resignation.

G. Leaves Without Pay

Teachers may request leaves of absence without pay or benefits, except as required by law, for personal reasons or professional gain. Such requests will be given due consideration by the Board.

H. Federal Medical Leave Act (FMLA)

Any teacher who qualifies for and takes an unpaid leave under the FMLA in order to care for a spouse, child, or parent may substitute any accumulated sick leave, minus the daily substitute rate of pay, which would be granted for an illness in the immediate family. Personal leave days may be substituted as well without any substitute deduction. Any paid sick leave used for an illness in the immediate family, which qualifies as FMLA leave, will count against the twelve (12) weeks of FMLA leave to which the teacher is entitled.

I. Professional Sabbatical Leave

- 1. Sabbatical leave for approved study or for other approved educational activities may be allowed to school personnel who have served five (5) years in the Hampton School System, subject to the following conditions:

- (a) No more than one (1) teacher shall be on sabbatical leave at any given time.
 - (b) Request for sabbatical leave must be received by the Superintendent of Schools on an approved form. Such requests for sabbatical leave will be forwarded to the Board with recommendations from the Superintendent of Schools, not less than sixty (60) days prior to the requested leave date. This sixty (60) day requirement may be waived at the discretion of the Board when awarded fellowships, grants or scholarships make such a deadline impractical.
 - (c) Applications for sabbatical leave shall be considered based on the following criteria:
 - i. The anticipated value of the sabbatical program to the school system;
 - ii. The staffing needs of the school system; and
 - iii. Previous sabbatical leaves of the teachers.
 - (d) A sabbatical leave shall be a maximum of one (1) full school year and the professional staff member shall be paid full salary and benefits, less daily standard substitute pay.
 - (e) A teacher returning from sabbatical leave may be required to file a written report with the administration and, further, he/she may be required to share this professional experience with other staff members if such information may be beneficial to them.
 - (f) Teachers granted a sabbatical will be required to return to two (2) years of teaching upon return. Prior to commencing the leave, teachers must execute a note, with all legal fees and expenses paid by the Board, guaranteeing repayment of salary paid to them on leave if they fail to return to teaching in Hampton for at least two (2) years. In the event that the Board must take action to collect such note, the teacher shall be responsible for the cost of collection and reasonable attorney's fees.
2. Leave granted under this Article shall be at the sole discretion of the Board and shall not be subject to the grievance procedure found in Article 4. Furthermore, such leave shall not in any way impair the efficiency of the teaching system. All forms developed and approved by the Board of Education and the Association shall be available upon request.

J. **Notice of Intent to Return from Leaves**

A teacher intending to return from a paid or unpaid leave at the commencement of an academic year shall file a notice of such intention with the Superintendent of Schools on or by the February 15th preceding the scheduled date of return. A teacher required to return from leave on a date other than at the commencement of an academic year shall file a notice of intent to return by or on the date established by the Board of Education at the commencement of the leave. A teacher who fails to file a notice of intent to return with the Superintendent by the required date shall be deemed to have resigned from the employment of the Board of Education effective on the notice of return date.

ARTICLE 13
SEVERANCE PAY FOR TEACHERS RETIRING/LEAVING THE SYSTEM

- A. Teachers may be granted one (1) of the following forms of severance pay upon retiring from or leaving the Hampton Public Schools.
- B. Any teacher retiring from teaching after fifteen (15) years of service, the last ten (10) of which are in the Hampton Elementary School, shall be paid a severance benefit of one hundred fifty dollars (\$150) per year of service (prorated to full-time equivalent years of service in cases of part-time teachers) up to a maximum of one thousand five hundred dollars (\$1,500).
- C. Any teacher who honorably leaves the Hampton Elementary School after eleven (11) years of service (prorated to full-time equivalent years of service for part-time teachers) and who is not dismissed for cause, shall be entitled to a severance benefit calculated as follows: Teachers shall be paid twenty-five percent (25%) of their prorated daily salary for each accumulated sick leave day in excess of the statutory maximum accumulation of one hundred fifty (150) sick days, provided that such benefit shall not exceed one thousand five hundred dollars (\$1,500).

ARTICLE 14
ASSOCIATION USE OF SCHOOL FACILITIES

- A. The Association will be provided with adequate space for storage of official Association materials.
- B. The Association will have the right to use school facilities for Association meetings, with prior notice to and approval by the school Principal.

ARTICLE 15
BOARD AND ASSOCIATION POLICIES

The Association will be provided with a copy of the minutes of all official Board meetings. A copy of the agenda of said Board meeting will be given to the Association prior to any official Board meeting.

ARTICLE 16
AMENDMENT

This Agreement shall not be altered, amended, or changed except in writing, signed by both the Board and the Association, which amendment shall be appended hereto and become a part hereof.

ARTICLE 17
SEVERABILITY

In the event that any provision or portion of this Agreement is ultimately ruled unlawful or invalid for any reason by an authority of established and competent legal jurisdiction or by legislative enactment, such

decision shall apply only to such specific provision, which shall be severed from this Agreement, and the balance and remainder of this Agreement shall remain in full force and effect.

ARTICLE 18 REDUCTION IN FORCE

- A. No tenured teacher (as defined in §10-151 of the Connecticut General Statutes as amended) shall be laid off when a position exists which is either vacant or occupied by a non-tenured teacher and for which the tenured teacher is certified or immediately certifiable.
- B. It is understood that a layoff is a termination of employment subject to administrative and/or judicial review in the manner set forth in the subsections of §10-151 of the Connecticut General Statutes as amended, and in no other manner. In the case of judicial review under those statutory provisions, the parties agree that the provisions of this Article can and should be submitted to the court.
- C. The name of any teacher who has been laid off shall be placed on a reappointment list and remain on such list for two (2) years provided such teacher does not refuse a reappointment and provided such teacher applies in writing by certified or registered mail for retention of his or her name on said list on or before June 1st of each year subsequent to termination.
- D. No new teacher shall be hired to fill a position for which a teacher on the reappointment list is certified or immediately certifiable. In cases where more than one (1) teacher on the reappointment list is certified or immediately certifiable for a particular position to be filled, seniority shall be the determining factor pursuant to the provisions of paragraph F below.
- E. No teacher who has been laid off shall be entitled to payment or accrual of any compensation or fringe benefits, whether or not he or she remains on the reappointment list. However, a teacher who is reappointed from the list shall be entitled to reinstatement of any benefits earned or accrued at the time of layoff, and further accrual of salary increments, and fringe benefits shall resume where they left off. No years of layoff will be credited as years of service for compensation or retirement purposes.
- F. Among non-tenured staff, the Board may identify contracts for termination in a reduction in force in its discretion based on the best interests of the Hampton Public Schools. Seniority within certification area shall be the determining factor in layoffs among tenured staff, except that the Board may retain a teacher who would otherwise be laid off in any given school year if his or her certification, teaching level experience, and evaluations by qualified evaluators shall convincingly demonstrate that such teacher possesses overriding professional value as a teacher and therefore should be retained in preference to the next more senior teacher. In the event of review by the Board of Education, the administration shall have the responsibility for demonstrating such overriding professional value. In the event of any other administrative or judicial review permitted by this Agreement or applicable law, the Board shall have such responsibility.
- G. Nothing in this Article shall require the promotion or recall of a teacher to a position of higher authority, rank or compensation. For the purposes of this Article, a teacher who is acting as a

substitute for one (1) full year or less shall be deemed to have no seniority.

ARTICLE 19
CURRICULUM DEVELOPMENT AND EVALUATION

- A. The Board, Administration, and the teachers will constantly evaluate and study both established and new curricula and may suggest modifications or changes.
- B. In the event that a teacher is required to meet beyond his/her contracted daily workday, for the purpose of curriculum revision/development and NAEYC accreditation during days off, and/or during the summer vacation months, said teacher(s) shall be compensated at a rate of fifty dollars (\$50.00) per hour.
- C. **Professional Development and Evaluation Committee**
 - 1. In accordance with Connecticut General Statute §10-220a(b), the Board shall establish a district-wide Professional Development and Evaluation Committee (PDEC), which shall have three (3) teachers as representative members of the bargaining unit being appointed to the committee by the HEA President, and three (3) members appointed to the committee by the Superintendent.
 - (a) As needed and in accordance with Section 10-220a of Connecticut's General Statutes, the PDEC committee shall meet a minimum of three (3) times a year to review and update the school district's evaluation and professional development plans.
 - (b) The Association shall notify the Superintendent of the names of its PDEC committee members no later than October 1st of each year.
 - 2. The district's evaluation plan shall consist of an improvement and support plan developed in collaboration with the teacher and an Association representative in accordance with Section 10-151b(c)(H) of Connecticut's General Statutes.

ARTICLE 20

The teachers agree to consult with and recommend to the Administration and the Board textbooks and supplies, which in their professional opinion are appropriate to the needs of the children.

ARTICLE 21
LONGEVITY PROVISIONS

- A. The Board and the Association agree that a longevity increment is advantageous in rewarding

teachers for satisfactory service and accordingly agree to the following increments for years of teaching service in Hampton:

1. Ten (10)-thirteen (13) years of service: Two hundred fifty dollars (\$250).
 2. Fourteen (14)-seventeen (17) years of service: Five hundred dollars (\$500).
 3. Eighteen (18)-twenty-one (21) years of service: Seven hundred fifty dollars (\$750).

 6. Thirty (30)-and over years of service: One thousand four hundred dollars (\$1,400).
- B. The longevity payment will be included as part of the gross salary and distribution through regular paychecks beginning in September and ending in June.
- C. Years of employment at Hampton, according to Article 7, Numbers 1 and 2, shall be considered as years of teaching service, but need not be continuous.
- D. Part-time teachers under this Agreement shall be paid the due percentage of such increments in accordance with their years of teaching service in Hampton.
- E. This Article shall not apply to teachers hired on or after July 1, 2014.

ARTICLE 22

EMPLOYMENT YEAR

- A. The school calendar year will consist of one hundred eighty-eight (188) days, one hundred eighty-three (183) of which will be legal student school days. The remainder shall consist of:
1. One (1) day for classroom preparation. If the teacher is required to move from one (1) grade level to another, an additional paid day shall be provided.
 2. Four (4) days for teacher in-service, curriculum workshop(s), professional development, or curriculum development.
- B. Recognizing that the Board is the final authority, the Association shall have representation in formulating the school calendar.
- C. Should the Board of Education make a change in the length of the work year beyond one hundred eighty-eight (188) days, or a change in the instructional year beyond one hundred eighty-three (183) days, the parties shall negotiate the impact of this change in accordance with the mid-stream negotiation process set forth in §10-153b, *et seq.*, of the Connecticut General Statutes.

ARTICLE 23
TEACHER-IN-CHARGE

- A. For each school year, two (2) teachers shall be appointed by the Superintendent of Schools in the school to act in the absence of the principal. One (1) shall be designated Teacher in Charge and the other Assistant Teacher in Charge. Both Teacher-in-Charge positions shall be posted as prescribed for in Article 25, (Assignment and Transfer of Teachers), Section A (Vacancies). Each school year, the Teacher in Charge shall be paid one thousand five hundred dollars (\$1,500) and the Assistant Teacher in Charge shall be paid five hundred dollars (\$500).
- B. In the event that the Principal is absent for three (3) or more consecutive days, the Board shall provide a substitute teacher for the Teacher in Charge. In case of a Principal's absence of ten (10) consecutive workdays or more, the Board shall determine the type of coverage that shall be provided for such absence.

ARTICLE 24
CERTIFICATION EXPIRATION

All communications regarding provisional certification expiration will be forwarded to the Hampton Education Association within ten (10) working days after the receipt of such notice from the State Department of Education.

ARTICLE 25
ASSIGNMENT AND TRANSFER OF TEACHERS

- A. **Vacancies**
1. The existence of vacancies shall be adequately publicized within the system, by posting on the Hampton Education Association's Bulletin Board, as far in advance of the date of filling such vacancy as possible. For the purpose of this Article a vacancy shall mean an opening resulting from a teacher voluntarily leaving a position, the creation of a new position, or the leaving of a position caused by illness or death. The position shall be filled no earlier than ten (10) calendar days following the initial day of posting or during the months of August or September, no earlier than five (5) calendar days following the initial day of posting. However, posting a vacancy does not guarantee that it shall be filled. Where need to fill a vacancy or position arises during the summer vacation, notification to the HEA shall be made by mail.
 2. Said notification of vacancy of position shall clearly set forth the qualifications for the position.
 3. Teachers who desire to apply for such vacancies of position shall file their application, in writing, with the Superintendent, within the time limit specified in the notice.

4. Such vacant position shall be filled on the basis of qualification for the vacant position. In the event that two (2) or more teachers apply to transfer to the same vacant position and they both have equal qualifications, the teacher having the most seniority shall be granted the position.
5. Nothing herein contained precludes the Board from filling any vacancy with personnel not employed by the Board.

B. Assignments

1. In the determination of assignments, the convenience and wishes of the teacher shall be a factor to the extent that these factors do not conflict with the instructional requirements and best interests of the school system and the pupils.
2. The administration shall notify teachers already in the system of any tentative change in their assignment or program for the ensuing school year prior to the close of the current school year. In the event of a change in circumstances arising after the close of the current school year, assignments or programs may be changed after notification to the teacher affected by the change.
3. Prior to any involuntary transfer or change in assignment the administration shall notify the teacher involved in writing within five (5) working days after the decision is made. If a transfer or change occurs during the summer such notification shall be sent to the last address on file of the teacher involved. Such written notification shall include the reason or reasons for such transfer or change in assignment.

ARTICLE 26
JUST CAUSE

- A. No material originating after original employment shall be placed in a teacher's personnel file unless the teacher has been notified and has had an opportunity to review the material. The teacher may submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- B. Any substantive complaint made against a teacher or person for whom the teacher is administratively responsible, by any parent, student, or other person, shall promptly be called to the attention of the teacher. In the event the complaint involves the possible commission of a crime, the foregoing provision of this Section shall not apply. In no case shall any anonymous and/or unsubstantiated complaint be placed in any teacher's file. Notwithstanding the provisions of this paragraph, such provisions do not apply to teacher evaluation.
- C. No teacher shall be disciplined, reprimanded, reduced in rank or compensation, denied an increment, or suspended without reasonable and just cause. If a teacher is to be formally

disciplined, reprimanded in writing or otherwise deprived of any professional advantage by the Board or its agents, he/she shall receive at least twenty-four (24) hours advance notice and shall be entitled to receive a statement of reasons in writing and to have a representative of the Association present.

- D. Notwithstanding the provisions of this Article, only those actions not subject to the provisions of Connecticut General Statute §10-151 shall be grievable.

ARTICLE 27

MISCELLANEOUS

- A. There shall be no reprisals of any kind taken against any teacher by reason of his/her membership in a professional organization or participation in its activities.

- B. All provisions of this Agreement shall apply equally to all teachers without discrimination as to age, race, creed, color, religion, nationality, sex, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, mental or physical disability, union affiliation or political activities.

- C. Teachers shall not be responsible for moving heavy materials, equipment and/or furniture from one classroom to another. The Board shall provide tape and boxes for packing.

- D. **No Strike**

No certified professional employee shall, in an effort to affect a settlement of any disagreement with the employing Board of Education, engage in any strike or concerted refusal to render services. This provision may be enforced in the Superior Court for any judicial district in which said Board of Education is located by an injunction issued by said court or a judge thereof pursuant to §52-471 to §52-479 inclusive, of the Connecticut General Statutes, provided the Commissioner of Education shall be given notice of any hearing and the Commissioner or said Commissioner's designee shall be an interested party for the purposes of §52-474 of the Connecticut General Statutes.

- E. **Resignation**

A teacher may resign by submitting written notice, at least thirty (30) days prior to the effective date, at any time except during the month of August, during which month, unless the contract has been terminated by mutual consent or Board action, the teacher will not accept employment with any other Board of Education in Connecticut.

- F. **Teacher Education and Mentoring Program (TEAM)**

Any teacher who has successfully completed a mentor training program through an approved State Department of Education "Teacher Education and Mentoring Program (TEAM)" and who thereafter accepts an assignment to serve as a mentor for new teachers under the TEAM

Program shall be paid in accordance with the State reimbursement model. In the event the State ceases its contribution to this program, the Board shall pay each mentor an annual stipend of one thousand dollars (\$1,000). In no event, shall the Board's total reimbursement under this program exceed an annual contribution of two thousand dollars (\$2,000). Service as a mentor teacher shall be voluntary in nature and all volunteers must be approved by the Superintendent or his/her designee.

ARTICLE 28
DURATION

- A. The provisions of this Agreement shall be effective as of July 1, 2024 and shall remain in full force and effect up to and including June 30, 2027.
- B. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter within collective bargaining, and that the understandings arrived at after the exercise of that right are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement each voluntarily waives the right and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. It is further agreed that this Agreement may not and shall not be added to, subtracted from, altered, amended or modified in any respect whatever except by a document in writing signed on behalf of the parties hereto by their duly authorized officers and representatives. Nothing herein shall be construed as a waiver of the Association's right to require bargaining over changes in existing policies or past practices concerning mandatory subjects of bargaining.
