 - Landscaping for the school**
A Hampton resident is excited about designing his Master Gardener Project around the school. Most plantings will be donated and labor too. Costs will be minimal. We would like to empower him to develop a plan that will accommodate our vision for school grounds beautification and his requirements for the project. He is helping to organize volunteers.
 - Sunroom**
We are waiting for an estimate for the repairs.
 - CIRMA**
Our liability insurance requested that the hallways be cleared. Other items on their list are being addressed.
 - Cinder Blocks**
Dampness has been found in some cinder blocks in the hallway. We are investigating the cause.
