Stroll - 2 pm A Guided Walk at Trail Wood

**Join us at the Hampton Community Center,
178 Main Street, for the remainder of the program**

Story - 3:30 pm Writer & Artists In-Residence

If you enjoy Trail Wood, you will love the works this year's group produced as a result of their week-long summer residencies at Trail Wood. Be it essays, paintings or photography, all are beautiful and very much in keeping with Teale's naturalist writings and photography, some of which have already been published.

Hailing from across the state, they will inspire you to get yourself outside a bit more often as well.

A great way to shake off the winter blues with like-minded company and hearty fare.

Stew - 4:30 pm Feast & Warm Up!

A variety of home cooked stews, chilis and soups (with vegetarian options)

Song - 5:00 pm By Gypsy Romantique

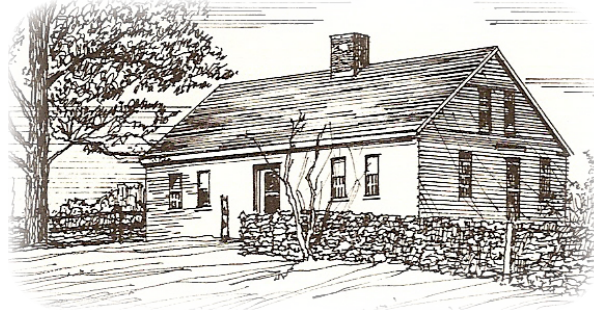

Acoustic Jazz & Swing

*Cost: \$25 for Adults
\$10 for Children under 12*
